

# Anti Roll Bar End Link Set

(also known as sway bar or stabiliser bar)

Complete end link set includes bushings, zinc plated  $\frac{3}{8}$ " grade 5 bolts, nyloc nuts and heavy gauge washers.

NOTE: Bush Spigot diameter is approximately  $1\frac{1}{16}$ " = 17.5mm

Fitting: Vehicle should preferably be on level ground or ramp (not jacked up) with wheels supporting its weight. Make sure that the anti roll bar end eyelet is parallel with the control arm. You may need to use a set with slightly longer or shorter centres than the original.

Part Number	Dimension A	
9.8123	3 11/16"	92mm
9.8125	4"	102mm
9.8117	4 5/16"	111mm
9.8118	4 9/16"	115mm
9.8119	5 1/16"	128mm
9.8124	5 3/16"	133mm
9.8149	5 7/8"	150mm
9.8121	6 3/16"	157mm
